Rose's Peace of Mind Pet Care, LLC has an opening for a pet sitter. This is a part time position, with the possibility of growing into full time employment after one year. We provide the highest level of at home professional pet care services in Tullahoma, Shelbyville, Bedford County, and surrounding areas. All potential candidates must have **consistent availability**. We are seeking **mature, extremely reliable, honest, attention to detail oriented, self-motivated, articulate individuals with a commitment to excellent customer service**. The applicant must be **energetic, organized, punctual, and time management capable**. The ideal candidate would be someone having a lot of flexibility in their personal day, mature individuals who prefer being outside to working in an office, someone that wants a job that will keep them active, or responsible individuals who might be interested in switching careers.

This is a **challenging job** (especially when dealing with inclement weather elements) but it is also extremely wonderful and rewarding! **Potential candidates must be available to work anywhere from 6:30 am in the morning to 8 pm at night depending on specific client's requested visit times**. Although this is viewed as a part-time job we are seeking top level candidates that are hard-working, dedicated, and **absolutely LOVE all types of animals**.

New hires begin with fewer hours per week and increase hours per week depending on skills and abilities. Employees are paid for time spent with clients (i.e. in 30 minute or 1 hour increments) and can expect to travel between client's homes. Having a fuel efficient vehicle is highly suggested.

If the above describes you and you have your own reliable vehicle (no sharing of vehicles), proof of vehicle insurance, a smart phone, and you live in the area described below:

South Normandy (the area between Normandy square and the town of Tullahoma) or West Normandy (the area between Normandy square (down Normandy road) and

Highway 41A). A candidate that lives somewhat in the middle of Normandy and Tullahoma would be ideal. This location would allow them to live close enough to service both areas.
